FMCS IS AN EQUAL OPPORTUNITY EMPLOYER COMMITTED TO EMPLOYING A HIGHLY QUALIFIED STAFF THAT REFLECTS THE DIVERSITY OF OUR NATION. WE SEEK TO HAVE A WORKFORCE DRAWN FROM LABOR, MANAGEMENT, AND NEUTRALS

MISSION OF THE FMCS

Promoting the development of sound and stable labor management relationships; preventing or minimizing work stoppages by assisting labor and management to settle their disputes through mediation; advocating collective bargaining, mediation and voluntary arbitration as the preferred process for settling issues between employers and representatives of employees; developing the art, science and practice of conflict resolution; and fostering the establishment and maintenance of constructive processes to improve labor-management relationships, employment security and organizational effectiveness.

DUTIES AND RESPONSIBILITIES OF POSITION

Our mediators currently perform duties in three major areas, dispute mediation, preventive mediation, and education, advocacy, and outreach. We seek candidates who have the capacity to become proficient in all three areas:

Dispute mediation: is to provide effective, neutral assistance in resolving conflicts to the principal parties to a dispute. Our primary mission is to assist the parties to the collective bargaining process to help them avoid or minimize work stoppages and achieve sound and stable relations. Our mission also includes assistance to parties utilizing alternative dispute resolution (ADR) techniques.

Preventive mediation: is dedicated to assisting the parties in managing conflicts and developing sound and stable labor-management relationships; to fostering the establishment and maintenance of constructive joint processes to improve labor-management relationships, employment security and organizational effectiveness. ADR activities include training, diagnostic assessment, and design of conflict resolution systems.

Education, advocacy, and outreach: is to competently communicate about the collective bargaining process, its value in a democratic society, the benefits of conflict resolution, and the positive role of the FMCS. Equally important is outreach with customers in the labor-management community to help explain our services and the value and use of mediation.

Mediators serve as neutral and completely impartial parties in the collective bargaining process and other alternative dispute resolution processes. The mediator's knowledge of collective bargaining, understanding of labor-management problems and possession of the ability to influence bargainers in the adjustment of their differences, contributes toward the settlement of labor-management conflicts as well as other disputes. In addition to entering into the specific labor-management dispute situations, the mediator has a continuing responsibility to prevent labor disputes from developing through active participation in relationship building activities and public information programs with labor and management organizations.

Applicants must have the demonstrated capacity to become ~~A~~full service mediators@ that is those who can enter a tension filled labor dispute over terms of a collective bargaining agreement, while at the same time be able to deliver preventive mediation services. These are the broad genre of processes designed to improve the parties= relationships, help them to develop joint problem-solving procedures, more constructive ways of bargaining, better ways to communicate, even motivate or encourage them to develop high performance workplaces.

QUALIFICATION REQUIREMENTS

GS-12 positions: To be considered for a GS-12 mediator position, an applicant must have **substantial full-time experience (acquired over a period of several years)** in the negotiation of collective bargaining agreements in a leadership/spokesperson role or a similar role in agreement administration within his/her organization. Qualifying experience will generally encompass utilization of varied bargaining processes, substantial knowledge of contract language, familiarity with a broad scope of subjects, experience in numerous and diverse bargaining circumstances, and knowledge of joint processes to improve labor-management relationships. Such experience must have been obtained within the most recent ten years. The candidate must have the capacity to perform successfully in all three areas listed under duties and responsibilities.

Developmental positions: Candidates who fall short in meeting the qualification requirements for a GS-12 mediator position, but do have progressively responsible experience in the negotiation and/or administration of collective bargaining agreements or ADR experience, may be considered for developmental positions at the GS-9 or GS-11 level. Availability of these positions is limited as they are located at our larger field offices where mentoring with an experienced mediator(s) is possible.
